***This is **NOT** "Liturgy of the Word for Children" (Children go out during Mass to hear the Word of God proclaimed in their age appropriate language) **BUT** rather a time for your children to receive formal religious instruction while you attend Sunday Mass. There is a specific curriculum, craft time, snack time etc. just as you would expect in a classroom setting. Teachers are all parent volunteers who desire to grow closer to God through helping His little ones grow spiritually. **Help is needed to do this program.** It will only happen for 2009/2010 if parents volunteer to help. Please call my office if you would like further information on helping with this aspect of our Religious Education program. **Mary Blythe (724) 864-5393.**
